2017-18 Negotiations Update #13

In the afternoon of Tuesday, March 27 the District and AEA negotiating teams met for the fourteenth time this cycle (participants are listed below).

The two sides exchanged proposals for a one-year agreement. We inched closer to the finish line but did not reach a final agreement. The District's team was unfortunately unable to give a response to AEA's last proposal and will consult with the Board, most likely at a special session on April 11. The AEA negotiating team will provide a detailed update to Rep Council at its next meeting on April 12.

If you have any questions or comments regarding negotiations, please reach out to any of the members of the negotiating team.

Have a nice Spring Break.

Sincerely,
Misha Buchel
AEA Lead Negotiator
